Certification Regarding Beneficial Owners of a Legal Entity

All form fields are required unless otherwise noted.

Sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf do not need to complete this form.

Questions? Contact BECU at 800-704-8080.

Step 1. Purpose of this form

Federal regulations require financial institutions to obtain, verify, and record certain information, some of which is collected on this form.

Legal Entities can be used to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a Legal Entity (the Beneficial Owners and the Control Person) helps law enforcement investigate and prosecute these crimes.

Step 2. Legal Entity information							
Legal Entity Name Provide the full legal name of the business as registered with the secretary of state or department of revenue, not a trade name or "doing business as" (DBA) name.							
Legal Entity Type							
O Partnership O Corporation O LLC O Club							
Federal Tax Identification Number (TIN) Enter the TIN the Legal Entity uses to file its business taxes.							
Street Address (must be a physical address in the United States)							
City							
ZIP Code Phone (numbers only, no dashes)							

Step 3. Beneficial owner(s) with 25% or more ownership

A Beneficial Owner is not the same as a beneficiary. A Beneficial Owner is each individual who owns, directly or indirectly, 25% or more of the equity interests of the Legal Entity. (For example, each natural person that owns 25% or more of the shares of a corporation is a Beneficial Owner.)

You must list **all** Beneficial Owners with 25% or more ownership unless there are no such owners, in which case you may check the box stating there are no Beneficial Owners.

There are no Beneficial Owners with 25% or more ownership. Proceed to Step 4.

Step 4. Control Person

Who is a Control Person?

You must designate as the Control Person an individual with significant responsibility to control, manage, or direct the Legal Entity. This person does **not** need to be an owner of the Legal Entity, but they must be a high-level official in the legal entity, who is responsible for how the organization is run, and who will have access to a range of information concerning day-to-day operations.

What if this person was already listed in Step 3?

If an individual meets the definition of both Beneficial Owner with 25% or more ownership and Control Person, you must list them in both sections.
